

Midwest Medical Transport Company - Midwest MedAir

Improving Life through Medicine in Motion

Dear Potential EMS Sponsor:

Please find enclosed sponsorship information for the 2017 Midwest Medical Transport Company's 2nd Annual MedStock EMS Symposium. Our first year was very successful with approximately 200 in attendance, 14 sponsors and over 20 exhibitors. Sponsors allow us to keep the conference affordable for each EMS professional in the state of Nebraska and the surrounding states. Our goal is to offer the conference free for all attendees in the future. We expect our numbers will increase over the following years. It is our objective to make our sponsors feel that they are receiving a benefit for the cost they are spending. We sincerely hope you will consider being one of our sponsors, and help us in our effort to improve emergency care through education.

There are several levels of sponsorship available. In addition to sponsorship, MMT has individual exhibitor event opportunities. For those exhibitors that attend the MMT conference, the sponsorship option will provide your company with savings and additional benefits. Please see the following page for packages available. If you would like more information on the individual exhibitor information, please contact me.

Below are the 2017 dates for the MMT MedStock EMS Symposium:

October 27 & 28, 2017

Holthus Convention Center in York, Nebraska

I appreciate your time and consideration. If you have any questions, please feel free to contact me at (402) 910-8541, or email me at troy@midwestmedicaltransport.net.

Sincerely,

Troy Hiemer
Exhibit Coordinator
